

Men's 12.5 / Women's 14.5

**Directions:**

1. **FIRST!** Check the scale below against an actual ruler.
2. Place this on a flat hard surface.
3. Step on the sandal template with your foot centered on the shape.
4. Determine your size.  
You don't want a lot of room in front of your toes or behind your heel.

Print at 100% scale. If this scale doesn't match your ruler re-print this template and be sure to set your computer printing setup scale to 100% or 'actual size'. Be sure 'scale to fit' is not checked.

For expert help, take a couple photos of your foot on this template at similar angles as the diagram and email us at:
